

Conference Assist Policy

At PebblePad, we believe that sharing knowledge and experiences on national and international stages is essential for professional growth. It's why we're excited to support community members in their conference endeavours with Conference Assist. Here's how the programme works:

Financial Support Available

Eligibility

An individual is eligible for financial assistance once within any 12-month period.

Funding Levels

Applicant Region of Residence	National Conference (funding up to)	International Conference (funding up to)
UK (GBP)	£250	£400
Australia (AUD)	\$450	\$700
US (USD)	\$350	\$500
Canada (CAD)	\$425	\$675

Maximum coverage

We will not fund more than 30% of the total cost of attendance including registration, travel and accommodation.

Application Process

Eligibility criteria

- The applicant must be a member of a current PebblePad customer organisation (including students and professional organisations).
- The conference must be either national or international. Internal or local/regional events do not qualify for financial assistance.
- The applicant must have a paper or workshop accepted and a speaking slot at an event.
- The paper or workshop itself must be about the applicant's use of PebblePad, and the platform and any related functionality (such as ePortfolios) should be referred to by name in the paper/workshop and during the speaking slot itself.

- Posters are not eligible for financial assistance.
- The applicant agrees to supply a post-conference report on their experience of the event. This should be in the form of a 400-word minimum blog post. PebblePad can supply a template if required.

Budget allocation

- We have a set annual budget for conference assistance.
- Funding will be distributed after each individual application approval up until the set annual budget is depleted.
- Please note that availability of funds cannot be guaranteed, even if all acceptance criteria are met.

Ready to Apply?

If you meet the criteria above, don't miss this opportunity to get support showcasing your work – apply now!
